The route

The average distance each day is 120km (75 miles). There is a mix of shorter and longer days, with time to explore in the evenings.

The ride officially starts at 8:00 am on Sunday 30 June in Vienna. We will organize an optional 120km warm-up ride on Saturday 29 June, east along the Danube to an 11th century monastery at Melk. We will return by train to Vienna in time to explore the city.

The ride is designed to be a challenge, but with some training we believe anyone can take part. We have no specific fitness requirement, but we do ask that all riders be comfortable riding 40km in 2 hours. If you're new to events like this, we can offer lots of training tips and advice. Our youngest rider so far was 16, our oldest was over 60.

All cycling is on road, though road surfaces can vary (road tyres will be fine). A support van is available to carry all luggage and equipment, food, water and first aid.

Accommodation and meals

A mixture of hotels and B&Bs. Mostly in twin rooms, with some larger rooms where necessary. The ride includes 7 nights' accommodation (Saturday June 29 to Friday July 5). The warm-up ride will start at 9am on Saturday June 29; if you want to join the warm-up ride, we can book the Vienna hotel for you for Friday June 28 for an additional 50 Euros.

The ride includes breakfast every day, and five evening meals. Dinner in Vienna and Bukowina is not included, so you have a chance to explore. Lunches are at cafes and stops along the road. Please let us know if you are vegetarian or have any other dietary requirements and we will do our best to arrange this.

The costs

We believe charity challenges are about helping a charity's work, and that our cyclists have a fantastic experience by taking part. To recognize this, we ask all participants to pay the full costs of the trip, so that all sponsorship is used directly to support the charity's work.

The ride is organized on a not-for-profit basis by experienced volunteers. Your €525 payment covers the support van and driver, seven nights' accommodation, most meals for seven days and a personalised Cycle Europe jersey. We can arrange bike transfers by courier from the UK, and accommodation for the night before the warm-up ride, for an additional cost.

It really helps us to get confirmations as soon as possible so we can finalise bookings. **€525 is the early-bird price; please note that from 1 January 2019 the price will go up to €560.**

You will need to book your own flights. There are many flights to Vienna and from Kraków. The cost will depend on the dates you book. For reference, last year return flights from the UK cost around €170. Please indicate on the registration form when you expect to arrive and confirm by email once booked.

We hope that the charity will receive a discount from suppliers on accommodation and transport, and that the actual costs will be lower. We think this is one of the best value challenge events around and therefore hope that you will agree that any difference between the actual costs of the ride and your €525 payment be treated as a donation from you to the Foundation. However, if you would prefer that the Foundation return the balance to you, please let us know and we will be happy to do so – this will, of course, not affect your right to take part in the ride in any way.

The charity

The Alina Foundation provides medical equipment, from life support machines to dressings, for terminally ill adults and children. We do this by supporting organisations throughout Poland that care for patients in their own homes and in residential hospices. We work particularly with the organisations that most need help, because they work in areas of great need, are based in poorer areas or are just starting up.

During the last three days of the ride you will have the opportunity to visit some of the hospices we support, see their work and personally present new equipment bought with the funds we raise.

Sponsorship

We do not ask that you raise a minimum amount of sponsorship as we do not want to discourage anyone from taking part. The more we raise the better of course, and our target for this year is £15,000. We hope everyone taking part will do their best to raise as much as possible to support the charity's work.

You can raise funds through sponsorship from friends, family and companies, or through events such as cake bakes or quizzes. Please let us know if you require any support to do this and we will be happy to provide ideas, text, photos etc. We will also send you regular updates on your fundraising progress.

Timing

The ride will start from Vienna at 8:00 am on Sunday 30 June, and finish in Kraków on the afternoon of 6 July. You will need to be in Vienna by the evening of Saturday 29 June to check-in. The price of the ride includes accommodation 29 June to 5 July inclusive.

There is an optional 120km warm-up ride on Saturday 29 June from Vienna to an awesome 11th century monastery at Melk, with lots of pretty vineyards along the way. We will return to Vienna by train in time to sightsee and eat dinner in town in the evening. If you'd like to join us, we can arrange accommodation for you for Friday night at the same hotel we'll stay in on Saturday night, for an extra €50 (bed and breakfast).

If you do not join us for the warm-up ride on 29 June, we'll meet you that evening at our Vienna hotel.

3-day option

We offer a 3-day version of the ride (around 320 km) for those new to cycling long distances, or those who just don't have time to join us for the full 7 days. If you are interested in the half-ride option, please email info@alinafoundation.org and we will be happy to discuss the various flight and transport options with you.

please complete the enclosed
application form and return it to

**Please email us
if you have any questions,

SPONSORSHIP AND FUNDRAISING

We do not ask you to raise a minimum amount as we don't want to discourage anyone from taking part. We do encourage you to raise as much as you can! More funds raised means more equipment and medicines for hospices. Our target as a team for this year is £15,000.

It would be fantastic if everyone could commit to raising at least £200 for the charity's work. Please let us know if you require any support to do this and we will be happy to provide ideas, text, photos etc. We will also send you regular updates on your fundraising progress.

You can raise funds in many ways: by asking friends and family to sponsor you, or holding events (cake bakes, quiz nights etc). We will do whatever we can to help – so just please let us know if you have a bright idea and need some advice or support.

Donations can be made:

- **Through mydonate¹** – please feel free to set up your own fundraising page, or direct people to the Cycle Europe 2019 page: mydonate.bt.com/events/cycle2019
- **Direct to the Foundation's UK account:** The Alina Foundation, Barclays, sort code: 20-67-90, a/c 93503305. This is brilliant as it avoids any credit card charges (which are incurred on donations online), but please ask any UK residents who sponsor you this way to email info@alinafoundation.org to confirm whether they want the donation to be treated as gift aid and their full name and address (including postcode). This will allow the Foundation to claim back Gift Aid on the donation, adding 25% to the amount the Foundation receives.
- **Online** through www.alinafoundation.org/support-our-cyclists, where there are options to sponsor an individual or the whole team. We will make a page for each participant – please provide a photo and a short text about why you are taking part in the ride.
- **In cash or by cheque.** Please make cheques payable to: The Alina Foundation and send to Alina Foundation, 65 Ashley Drive, Penn, Bucks, HP10 8AZ

A sponsorship form is available online at www.alinafoundation.org/sponsorship-form

Please remember that all money raised will go to purchase medical equipment and supplies – the trustees cover all the Foundation's costs, and we ask all cyclists to cover the costs of taking part in the ride.

Thank you for taking part in Cycle Europe 2019!

¹ Mydonate charges no commission or fees and passes on 100% of donations, less bank credit/debit card charges (1.3% of donation on credit cards and 15p for each debit card transaction), directly to the charity. Commercial sites such as JustGiving charge charities up to 7.5% of donations (including card charges). Just in case anyone asks why we are not on JustGiving!

Gift Aid declaration

I am a UK taxpayer. I would like The Alina Foundation to treat as Gift Aid donations, this, all future donations and any previous donations until I notify you otherwise.

I confirm I have paid or will pay an amount of Income Tax and/or Capital Gains Tax for each tax year (6 April to 5 April) that is at least equal to the amount of tax that all the charities or Community Amateur Sports Clubs that I donate to will reclaim on my gifts for that tax year. I understand that other taxes such as VAT and Council Tax do not qualify.

The Alina Foundation will reclaim 25p of tax on every £1 that I give. This means that a gift of £100 will be worth £125.

Title ----- Initial(s) ----- Surname -----

Home address -----

Postcode -----

Date ----- Signature -----

Notes

If you pay Income Tax at the higher or additional rate you can receive additional tax relief on your donation by including all your Gift Aid donations on your Self Assessment tax return or by asking HM Revenue and Customs to adjust your tax code.

For example, if you donate £80, the total value of your donation to the charity is £100 - and you can claim back:

- £20 - if you pay tax at 40 per cent
- £30 - if you pay tax at 50 per cent

So a £100 donation would cost you just £60.

Please notify the Foundation if you:

- Want to cancel this declaration
- Change your name or home address
- No longer pay sufficient tax on your income and/or capital gains.
